Fourth Quarter 2025 Newsletter

PRESIDENT'S MESSAGE

This year to date has been a busy and productive year for our Chapter and Color Guard. We have enjoyed several excellent presentations from guest speakers and our Color Guard has participated at numerous events.

In 2026 we still have several open slots for officers and Committee persons, including 3rd Vice President, Programs Committee, History Committee and Registrar support. Please consider volunteering to spend a few hours on a committee to help.

Your attendance at our monthly meetings is also important to show support of our mission, welcome new prospects, and recognize those receiving awards – First Responders, Youths, etc.

We should all be proud of our Chapter heritage and work hard to continue to serve our communities, educate our youth about the founding principles of our country, and honor our patriot ancestors.

The Mission of the SAR

The Sons of the American Revolution honors our Revolutionary War patriot ancestors by promoting patriotism, serving our communities, and educating and inspiring future generations about the founding principles of our country.
