Greetings Gentlemen,

I hope this first week of June finds you well. I want to thank you again for joining us in April for the 250th Commemoration at the Lone Star College Kingwood. I wish the day had not been so hot, but I'm so grateful to have had you bring the beauty of history to the day.

The students and our team have a special gift for you, and I would love to bring it to you. Please let me know of a best date.

Again, thank you so very much and many blessings,

Maria
