SOCIETY OF PATRIOTS.

ORGANIZATION OF A TEXAS SOCIETY OF SONS OF THE AMERICAN REVOLUTION.

OBJECTS OF THE SOCIETY.

Hon. Ira H. Evans of Austin Chosen President-Number of Galveston Men Elected Officers.

A number of gentlemen from over the state gathered at the Tremont hotel yesterday and organized a Texas society of the Sons of the American Revolution. Among those who were here for this purpose were Hon. Ira H. Evans of Austin, Mr. Cheney H. Irony of Eagle Pass, Mr. Philip Lindley of Dallas, Lieutenant Colonel J. W. French and Major H. S. Killburne of Fort Clark, Mr. Asa U. Grant of Weatherford and Mr. Robert G. West of Austin.

The meeting was presided over by Hon. Ira H. Evans, who is a prominent citizen of Austin, being president of the New York and Texas land company and vice president of the Austin Rapid Transit railway company. Mr. Evans outlined the objects of the society as follows:

The objects are purely patriotic and social in its respect. It is to be organized for the purpose of uniting and promoting the interests of the descendants and perpetuating the memory of the patriots who, by their sacrifices during the cause of American independence, achieved the independence of our country. In addition, the society aims to foster a more profound reverence for the principles of the government founded by our fathers, to encourage research in relation to the revolution, to acquire and preserve the records and documents, relics and landmarks connected with that historic period, and to celebrate the anniversaries of the prominent events of the American revolution.

Any man is eligible to membership who, by the age of 21 years or over, and a citizen of good moral character, is a descendant of an ancestor, who, while at all times in the service of the American republic, rendered actual service in the cause of American independence, either in the armed forces of the revolution, the minute men or the militia, or in the civil service, or as a member of a committee of safety or test association, or as an active and recognized patriot.
